**Please Adopt, Don't Buy**

**ROMEO - STILL needs a new home.** He is a four year old, neutered male, potbellied pig. He is friendly and used to people. We are earnestly searching for a safe and loving new home for our dear sweet pet pig because my husband's job is subject to being transferred at any time and when it does, it could happen very quickly we won't be able to take Romeo with us. We are praying for the perfect new place for Romeo, where he can flourish and continue to live out his days happily. Romeo is currently located in the San Pedro/LA Harbor area. Owner will help financially to aid in Romeo's care and transition. For more information, please contact Trixie at 310-357-0539 or E-Mail: [trixiehowden@att.net](mailto:trixiehowden@att.net)

**TWO MALES** - Two rescued male potbellied pigs available for adoption. They are a little skiddish and need work on socializing. They are neutered and need a home ASAP because the county has given them notice to find a new home. Foster owner is willing to pay monthly fees to someone who can board these pigs until homes are found. They are currently located in Joshua Tree, CA. If you are interested in meeting/adopting one or both of these pigs, please contact Rinea at 760-553-3694 or E-Mail [r.lucia60@gmail.com](mailto:r.lucia60@gmail.com)

**ANTHONY WIENER** - This nice little fella was abandoned when his owners moved away. Concerned neighbors went to check after the owner moved and discovered that he had very little shelter, no water and no food. He's a young adult and almost full grown, so he will fill out more once he is neutered. If you are interested in bringing this foxy silver boy into your heart and home, please complete the adoption application at [pigharmony.com](http://pigharmony.com) An adoption fee will apply to help offset his vetting expenses. Located in Redlands, CA

**MISS OLIVIA** - I am a 9-month old spayed female, currently located in Rancho Cucamonga, CA. My caretaker is unable to properly care for me due to spending a lot of time (almost daily) at Loma Linda Children's Hospital with her premature grandbaby who has had a number of set-backs. Recent rains have created a big muddy mess outside where I stay. I would love for you to come and meet me. Call Melissa @ 909-347-2428 (cell) or 909-466-7029 (home) or E-Mail [ms.melissamorales@yahoo.com](mailto:ms.melissamorales@yahoo.com)

**PENELOPE** - Penelope is the sweeeeeetest potbellied pig you could ever want to meet! She loves everyone and is used to being an inside/outside pig. She was left at the ranch because her family's dogs decided they liked bacon 😊. She loves blankets, loves to be petted and loves cookies. She will go into a crate for treats and is house trained. Her hooves have recently been trimmed. Contact: LEGEND ANIMAL RESCUE, 619-518-8778, Ramona, CA 92065, E-mail: [sdago777@hotmail.com](mailto:sdago777@hotmail.com)
