LUNA - is an approximately 5 years old female potbelly pig. I am not yet spayed. I have been at the Baldwin Animal Care Center since February 13, 2017. You can visit me at my temporary home at **B8**. The staff/volunteers here haven't had a chance to really get to know me yet. Please visit me at the animal care center and ask about spending some one-on-one time with me. L.A. County Animal Care & Control: Baldwin Park, 4275 Elton Ave, Baldwin Park, CA. Phone: 626-962-3577 and ask for **Animal ID #A5032981**

POTATO - I am a healthy, young pot bellied pig. I was recently rescued from the San Bernardino Shelter the day of my euthanasia. The shelter found me neglected as a stray, and I was lucky to find my wonderful foster family who has been helping me become more confident to trust people again. They have three other piggies, dogs, goats, and cats, and I love them all! I get along well with other animals and like the comfort of having friends around to play and snuggle with. I am housebroken and very clean! I love to eat lots of veggies and fruits, and to sunbathe! For info, please contact Daniela Tovar at 818-738-0017 or E-Mail daniela@k9sonly.com

PIGGLY WIGGLY - I'm available for adoption but I am not currently in public view. How I arrived: I was brought in by my previous owner. At SDHS: I have been making new friends. My caretakers have noticed that I love neck and back scratches. While getting scratched, I will lean in, fall over on my side, and then start to fall asleep. Why I am the one for you: My Personality Color Code is Orange; meaning I'm Vivacious... Enthusiastic... Bubbly... Vibrant...and Cheerful!! I'm known to be a nice big guy.

I'm just a BIG teddy bear! I'm curious, sweet, playful, and very entertaining. If you have a space for me in your heart and your home, stop on in and meet me! I am not yet neutered. Contact San Diego Humane Society, Escondido Campus, 3450 E. Valley Pkwy, Escondido, CA 92027, 760-888-2275. Ask for **Animal ID# 238444**

HAMMY - is 2 to 3 years old, 50-60 pound, male potbellied pig. Due to health reasons, his owner could no longer keep him. He is very shy, but he makes up for it in personality. He's a happy, funny guy! Currently located at LA Animal Rescue, Los Angeles, CA. E-Mail info@laar.org or see <http://www.adoptapet.com/pet/15702330-los-angeles-california-pig-potbellied?tmpl=FR-753&tmpl=FR-753> for more pictures and a cute video of Hammy. Fax: 888-761-3108.
