Message: Hello, Just wanted to see if SCAMPP was still around. I did a photo shoot many years ago 1996'ish for my "rescue" greeting card line (pound pets) and featured one of SCAMPP's pigs! "couchpigtato"

We might be moving to riverside in a few years and will be doing some farm animal boarding like I do here in Redondo beach with dogs. We love pigs! Thank you

Do you have Potbellied Pigs?: Yes, 2 now, 1 who died from old age

Message: I have become quite ill in my old age & need to move cross-country. I have 2 elderly, outdoor (with brick house) pigs that are bonded. They are 14 & 15 years old and must go to a rescue/retirement home, preferably in San Diego County or Southern Riverside County before March 1st. They must stay together for their remaining years. We will provide some funds for their care, and 2 S.D. County family members will visit them but live where they cannot keep them. Call Sherry @ 760-583-4981 if you can help. Thank you.

Message: Hi! We are looking to move to Southern CA within the next 2-5 years, specifically Palm Springs or Temecula area and we currently have a 5yr old potbelly/Julianna mix we want to make sure we can bring with us. Any information on areas without HOAs where we could keep her would be super helpful in our transition. So excited to see CA has a mini pig association!!!
